

The Bible, the Jews, and the Death of Jesus:

The Bible, the Jews, and the Death of Jesus brings together in

one place excerpts from official documents of the Church pertaining to the presentation of the Passion and Death of Christ, whether in classrooms or from the pulpit, in Passion Plays or media dramatizations. Its intent is not only to end prejudices against Jews and Judaism, but also to better understand salvation in Christ by seeing the unique place of Jews and of the Jewish religion in the unfolding of salvation.
